\* Only the date of filing ("1.6") will be the date used in a patent term adjustment calculation, although the date on any certificate of mailing or transmission under "1.8" continues to be taken into account in determining timeliness. See "1.703(f). Consider "Express Mail Post Office to Addressee" ("1.10) or facsimile transmission ("1.6(d)) for the reply to be accorded the earliest possible filing date for patent term adjustment calculations.
